THE WORK IS WORTH IT.
CODE OF CONDUCT
To ensure the most positive experience for all attendees, NCA asks that the following Code of Conduct be adhered to during all NCA Championships:

- Any questions or concerns that affect a team’s performance or experience must be communicated by the coach to the NCA Event Information Table. The appropriate NCA Official will then be called to discuss the situation with the coach.
- Participants, coaches or spectators are prohibited from making contact with the judges during the competition.
- Judges’ rulings are final related to deductions, final team placements and legalities.
- Any unruly, aggressive or belligerent behavior by participants, coaches or spectators toward any other attendee or NCA Event Staff will result in potential team disqualification, removal from the event and/or barred participation from future NCA events and possible disqualification of team or suspension for following years.

NCA fervently encourages and supports sportsmanship, integrity and fairness among participants and coaches in all facets of cheerleading including, but not limited to team/squad practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities, and believe that coaches are instrumental in promoting and instilling this among their respective team members.

ELIGIBILITY VERIFICATION
A Team Eligibility Form will be sent to all Coaches participating in an NCA & NDA Championship. One form must be filled out per team with each team member’s name, student ID number, hours currently enrolled and years of completed eligibility. This form must be signed by the Coach as well as signed by the school’s Registrar’s Office and school Administrative Supervisor and returned to NCA & NDA at Check-In. A current class schedule for each participant must also accompany the Eligibility Form. Teams must meet the following eligibility requirements in order to participate in the NCA & NDA Collegiate Cheer and Dance Championship:

- Each participating team member must be a current full-time student of the institution that they are representing at the Championship, or enrolled in a minimum of 9 credit hours. Graduating seniors and graduate students may be enrolled in less hours.
- Each participating team member must be a current member of the team they are representing and meet all of the school’s eligibility requirements.
- Each cheer team must have a coach that is currently AACCA certified in order to compete. Proof of certification must be included with the Eligibility Form.
- Each team must always comply with the AACCA College Safety Rules.

1. Any university or college competing in a Varsity College National Championship shall not permit a student-athlete to represent their school unless the student-athlete meets all applicable eligibility requirements, and the coach and program administrative supervisor has certified the student-athlete’s eligibility.
2. A student-athlete may only represent ONE (1) school in a National Championship competition for each academic year. For example, a student-athlete may not compete for one school in January, transfer and compete for another school in April.
3. At the Junior College level, any student-athlete will only be eligible to compete in a maximum of three (3) National Championships during the course of his/her college career.
4. A student-athlete can be a part of the institution’s cheer/dance spirit squad but will only be allowed to compete for a maximum of five (5) National Championships during the course of his/her college career, regardless of the number of universities or colleges they have attended.
5. A student-athlete may not compete in more than five (5) National Championships in combined Junior College and/or 4-year college/university.
6. Individual Championships such as Partner Stunt and Group Stunt only apply if the athlete does not compete with a team during that same academic year (e.g. if an athlete only competes in NCA or UCA Partner Stunt any given year, that will count as one (1) year of eligibility used).
7. Once the team eligibility is complete, athletes are no longer eligible for Partner Stunt or Group Stunt unless it is in the same academic year (e.g. an athlete competes on a team at UCA in January to complete five (5) years of eligibility, but is still eligible to compete in NCA Partner Stunt that same April, that concludes their total eligibility).
8. An alternate or injured student-athlete that does not take the competition floor will not be perceived as a competing member and will not count towards the maximum of five (5) National Championships.
9. This will apply for any student-athlete competing at any one of the Varsity Brands College National Championships (UCA & UDA, NCA & NDA) as well as any other designated College National Championship.
10. Verification of eligibility will be required by the school’s Registrar’s Office and the program’s administrative supervisor in addition to the coach. It will be the responsibility of these individuals to verify that all student-provided information and documentation is correct and valid.
11. Teams violating this rule could forfeit their titles and rankings as well as be prohibited from entering any other Varsity Brands Championship the following year. For any clarification on these rules, please contact the event producer of the Championship you wish to attend.
NCA & NDA EXCLUSIVITY POLICY
Due to television, sponsorship considerations, and administration concerns regarding school-based priorities, image and funding, teams that compete in the NCA & NDA Collegiate Cheer and Dance Championship may not participate in any other event at which a “College National Champion” title is awarded during the current school year.

Further, teams may jeopardize their eligibility to compete in the NCA & NDA Collegiate Cheer and Dance Championship if they participate in a televised program or print media that portrays their team, school or general activity of collegiate cheer and/or dance in a negative manner. NCA & NDA must deem the program or material content reasonable and appropriate with regard to performance integrity, safety, individual and school privacy and reputation, and overall image. Schools that desire to compete at Nationals and participate in such media (reality show or documentary, news articles, books, etc.) should consult their school legal counsel to develop an access license, and also consult with NCA & NDA in advance to pre-determine any possible conflicts of interest. The access license is a legal agreement that prohibits producers or publishers from including certain subject matters from being included in their media product, as well as grants the school officials the right to approve and/or reject final portrayal of their respective spirit squads that might be harmful or disrespectful to the school or spirit program.

LEGALITY VERIFICATION
As a coach, it is important to be current on the NCA, NDA & AACCA Safety Rules. If you have questions concerning any safety rules or questions regarding specific performance elements, please follow these steps. This will ensure that you receive a timely and accurate response to your questions.

• All questions must be in written form.
• Due to the differences in interpretation and terminology, no phone calls will be accepted.
• Do not rely on prior rulings from NCA & NDA Championships.
• A separate video must be submitted for each Competition to ensure legality.
• For all Legality questions, you must send a video that contains the skill in question.
• Video must include the following:
  1. Front, side and back view of skill.
  2. Name of the Championship where you will be performing skill and the Division you will be performing in.
  3. Include your name, team name, email and phone number with your video.
  4. Do not send the entire Routine, only the skill(s) in question. Your video will be kept on file at NCA & NDA.

  VIDEOS THAT ARE NOT IN THE ABOVE FORMAT WILL NOT BE VIEWED.

VIDEOS MUST BE RECEIVED IN THE NCA & NDA OFFICE at least THREE WEEKS PRIOR to the Championship date. Videos not received in the NCA & NDA office three weeks prior to the championship date will NOT be reviewed.

You must email your videos to:
ncacollegevideos@gmail.com.

Note: Emailed videos may not exceed 10MB and should be in either Windows Media Player or Quicktime formats.

DO NOT DEPEND ON YOUR CHOREOGRAPHER OR COACH TO DETERMINE IF SOMETHING IS LEGAL. IF YOU FEEL THAT SOMETHING MAY BE ILLEGAL, SEND A VIDEO TO THE NCA OFFICE.
TEAM ROUTINE REQUIREMENTS

1. Each team will perform a choreographed routine not to exceed 2 MINUTES AND 15 SECONDS (135 SECONDS).
2. Teams are limited to a maximum of twenty participants plus one mascot, and must have a minimum of ten participants. Teams violating this rule will be disqualified from Preliminary Competition and will forfeit their Game Day score for any additional round(s) of competition.
3. Music is allowed for all or part of each routine. No voice-overs or words may be recorded to make the team’s vocal projection sound louder.
4. Organized, formal entrances that involve organized cheers or run-ons with jumps, tumbling, or stunts are not permitted. Cheerleaders, dancers and mascots should enter the performance area in a timely fashion.
5. Timing will begin with the first organized word, movement, or note of music by the team or individual after they are officially announced. Performers must have at least one foot on the performing surface when the Routine starts.
6. Timing will end with the last organized word, movement, or note of music by the team or individual. Teams or individuals must exit the performance area immediately following the Routine.
7. Only the following props are allowed for cheer teams: flags, banners, megaphones, pom pons, and signs. Flags and/or banners with poles or similar support apparatus may not be used in conjunction with a stunt or tumbling.
8. Team/individual names will be called twice: once as the team/individual on deck and once as the next team/squad to perform.
9. Preliminary and Final Competitions may be held indoors or outdoors. In the event of either competition being held outdoors, wind and/or sun could be a factor. Practice and prepare accordingly.

GAME DAY SCORE

Each team will be required to perform 45 seconds of Game Day material when they enter the mat for Prelims. During this time, the team should display modern and/or traditional methods of getting the crowd to stand, clap, cheer and/or make noise. Technical skills should be kept to a minimum and will NOT be judged during this time. Skills are restricted to the AACCA Basketball Timeout Rules (see section H of the AACCA College Safety Rules). The use of signs, flags, banners or other spirit related props are highly recommended. Due to safety concerns, items (t-shirts, towels, frisbees, etc.) may not be thrown, tossed or released from the performance area into the crowd. Music may not be used during this segment. The actual crowd response will not be factored into the judges’ scores. Only the material being presented will be judged.

Each team will have a total of 45 seconds from the time their name is announced in which to enter the mat and perform their Game Day segment. **All feet must be on the ground when the team is announced to take the floor. Skills may only begin after being announced and entering the performance mat.** Timing of the 45 seconds starts immediately with the announcement of the team name. Each team may stage at the back of the mat and set up props immediately following the previous team’s conclusion and exit, but this may not delay the flow of the Competition. Timing deductions will be in effect for teams requiring too much staging time. Once the 45 second Game Day segment is complete, the team will have another 30 seconds to get set for the start of the routine performance (see Time Limit Violations for penalty information). This total 75 seconds will NOT count toward the 2 minutes and 15 seconds of the Routine performance.

Each judge will score the Game Day segment on a scale of 0-10. This will be it’s own judging Category. The Game Day scores will carry over to Challenge Cup and Finals where they will be calculated into the teams’ final score.
Boundary rules are in effect from the time teams enter the mat for their 45-second Game Day segment and remain in effect until they leave the mat after their 2:15 performance. They CANNOT go out of bounds between the 45-second Game Day segment and the 2:15 performance. Stepping on or touching the edge of the mat does not constitute a violation. They must noticeably touch out of bounds with both feet for a violation to occur. Props may be touching out of bounds without penalty. A team member may touch a prop that is out of bounds as long as that person does not step out of bounds with both feet to retrieve or discard the prop. Doing so would result in a penalty. After the Game Day segment, members may only reach or touch out of bounds to discard props, but still may not step out of bounds. Only mascots may enter the floor for the Game Day segment, then leave the floor before the 2:15 performance. Any others doing so would result in a 2.0 rules violation. Any member participating in the Game Day segment must remain on the performance surface during the 2:15 performance as well to prevent a rules or boundary violation. They may not participate in the 45 second segment while off the performance surface. Throwing items from the performance surface into the stands will result in a 2.0 safety violation. There will be a .25 deduction for each boundary violation. Participating team members may enter the performance area immediately following the previous teams performance to set up props. This may not create any delay in the flow of the Competition. Any delay as a result of the props will result in a timing violation 1.0 deduction.

PERFORMANCE AREA
All cheer teams competing in the NCA & NDA Collegiate Cheer and Dance Championship will perform on a 42’ deep x 54’ wide carpeted, gymnastics floor mat. The mat will be placed over a concrete or wooden surface. Only soft-soled tennis shoes will be allowed on the performance surface. It is important that your Routine be choreographed not to exceed these measurements, because penalty points will be assessed for going outside the performance area. This is particularly important in planning tumbling passes. This rule is designed for the safety of the participants due to over rotation of tumbling and uneven surfaces. The judges will score only what occurs within the boundaries. Props may be touching out of bounds without penalty. A team member may touch a prop that is out of bounds as long as that person does not step out of bounds with both feet to retrieve or discard the prop.

JUDGING PANELS
HEAD JUDGE
The Head Judge is responsible for overseeing the entire Judging Panel that consists of: Panel Judges, Safety Judge, and Point Deduction Judge. The Head Judge will not judge performances.

PANEL JUDGES
Panel Judges are responsible for scoring each team’s performance based on the NCA score sheet. Each Panel Judge fills out his/her own score sheet for each performance. Panel Judges judge technical ability and the overall routine, but they do not determine or judge deductions or safety violations. Decisions made by Panel Judges are final.

SAFETY JUDGE
The Safety Judge is responsible for administering all rule violations, time violations, and boundary violations. Decisions made by the Safety Judge are final.

POINT DEDUCTION JUDGE
The Point Deduction Judge is responsible for assessing deductions in each routine for obvious bobbles or falls from technical skills. Decisions made by the Point Deduction Judge are final.
NCA COLLEGE COMPETITION RULES
NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

NCA SCORING PROCESS
The scoring process for the NCA Championships will be similar to that of gymnastics, diving, and figure skating. Scores for each Category will range from 0-10, including tenths of points (e.g. 5.5, 9.5, etc.). These scores will be entered into a computer that will add the scores. All point deductions and/or penalties will be deducted from the average score to get the FINAL SCORE. Deductions/penalties are assessed at the sole discretion of the judges based on the criteria set forth in this book. All judges decisions are final, ties will not be broken. Tying teams will share the title and/or ranking.

NCA fervently encourages and supports sportsmanship, integrity and fairness among participants and coaches in all facets of cheerleading including, but not limited to, team/squad practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities, and believe that coaches are instrumental in promoting and instilling this among their respective team members.

DEDUCTION SYSTEM
BUILDING FALL - .50
Examples:
• Cradling, dismounting, or bringing down a stunt or pyramid early (not timing issues)
• Base falling to the floor during a cradle or dismount

ATHLETE FALL - .25
Examples:
• Hand(s) down in tumbling or jumps
• Knee(s) down in tumbling or jumps
• Blatant incomplete tumbling twist(s)
• Multiple body parts touch the floor in tumbling or jumps
• Drops to the floor during individual skills (tumbling, jumps, etc.)

MAJOR BUILDING FALL - .75
Examples:
• Falls from individual stunt, pyramid or tosses to the ground (top person lands on ground or multiple bases land on ground)

MAXIMUM - 1.0
When multiple deductions should be assessed during an individual stunt or toss (by a single group), or during a pyramid collapse, then the sum of those deductions will not be greater than 1.0.
TIME LIMIT VIOLATIONS
Time limit violations (for both the music portion and/or total routine time) are as follows:
• 1 - 5 seconds over time will result in a .5 deduction
• 6 or more seconds over time will result in a 1.0 deduction
The routine time limit is 2:15. Routines that exceed this time limit run a risk of being assessed a deduction. Judges will use a stop watch or similar device to measure the official time. Acknowledging the potential variance caused by human reaction speed and sound system time variations, judges will not issue a deduction until their stopwatch/clock shows a time that exceeds 2:18.

SAFETY VIOLATIONS
• Building skills performed out of level will be issued a 1.0 deduction.
• Tumbling skills performed out of level and violation of any other General Safety Guidelines will be issued a .5 deduction.

UNSPORTSMANLIKE CONDUCT DEDUCTION
When a coach is in discussion with an official, other coaches, athletes and parents/spectators they must maintain proper professional conduct. Failing to do so may result in a 2.0 deduction, removal of coach, or disqualification.

NCA “COLLEGIATE IMAGE” CATEGORY
This Category will be utilized to evaluate the overall representation by the team of its institution of higher education and the core values and standards that commonly exist and are mandated by such institution’s administration, faculty, Staff, alumni and student body. This evaluation will be based on, but not limited to the following:

PERFORMANCE INTEGRITY
All aspects of the performance (music, choreography, skills, language, props, etc.) should represent the highest standards as expected by athletes and elite student body representatives at the collegiate level.

SCHOOL REPRESENTATION
How well the institution has been represented by its cheerleading team’s presentation, props and appearance. NCA recommends that the team and each of its members display an overall appearance conducive to serving as public representatives and ambassadors of their institution in regards to grooming, traditional and appropriate attire, conservative make-up, uniformity, etc.

NOTE:
Hair bows may negatively affect the overall collegiate image of the athletes and their performances. Hair bows may only be worn behind the top center of the head and may not have material close to the face at any time. Tails of the hair bow should be directed backward and not forward. Hair bows should also be small to medium in size so as to not be a distraction from the performance. Violations of this rule during preliminary Competition will result in a warning, and violations during final Competition can result in a 1.0 “Collegiate Image” deduction from each Panel Judge. Photos may also be submitted to the NCA office in advance for pre-event rulings in the same manner as all other legality verifications.
MUSIC GUIDELINES
NCA will follow the Varsity Spirit Music Guidelines for all competitions. Please visit varsity.com/music for the most up-to-date guidelines and latest resources.

CHALLENGE PROCESS
If there are concerns regarding a certain team’s use of music, a Challenge Form must be completed immediately following the team’s performance.
- All music challenges must be submitted in writing to the event director.
- There will be $100 fee to request a music challenge and must be in the form of a check made out to St Jude Children’s Research Hospital.
- Fees collected will be voided if challenge is correct.
- If the team challenged can provide documentation during the event and can be verified, the fees will be donated to St. Jude.
- If the team challenged can provide documentation that requires further review, a decision will be finalized within 48 hours of the event.

CHOREOGRAPHY / MUSIC / COSTUMES RULES
INAPPROPRIATE CHOREOGRAPHY / MUSIC / COSTUMES
All facets of a performance or routine, including choreography, music selection and outfitting (cheerleading and dance uniforms or costumes), should be suitable for family viewing and listening. In general, school performances, including but not limited to the actual routine, signs, cheers, chants and hand signals/gestures, should adhere to outfitting, performance and music guidelines and criteria in place and approved by the administration or institution to which the school team belongs. Outfitting for cheerleading performances should follow traditional dress standards. Routines, music and uniforms/costumes for all team types should be appropriate for the age of the participants performing the routine.

A deduction of 2.0 (per violation) will be given for vulgar or suggestive choreography, which includes but is not limited to movements such as hip thrusting and inappropriate touching, slapping, positioning of body parts and positioning to one another. Deductions will be given for music or words unsuitable for family listening, which includes but is not limited to swearwords and connotations of any type of sexual act or behavior, drugs, mention of specific parts of the body torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words constitutes inappropriate, and deductions will be made accordingly.

Any costume or music in which the appropriateness is questionable or with which uncertainty exists should be submitted to NCA for approval. Because multiple performances of a routine when compared to one another will generally lack distinction, NCA is not able to approve with absoluteness the appropriateness of choreography (since movements can be easily modified, NCA could feasibly approve a particular movement when viewed on a video or in person, only to have it performed differently during competition). However, choreography, if questionable, may be submitted to NCA for feedback.
NCA COLLEGE - CHEER UNIFORM REQUIREMENTS

In general, appropriate attire is required during officially designated practice times, performances and awards ceremonies. NCA reserves the right to make rulings and enforce compliance regarding any participant’s attire. It is the combination of garments worn that can deem an outfit or uniform appropriate or inappropriate, and this should be taken into consideration more so than the individual guidelines for each garment type outlined below and on next page. The following guidelines should assist in defining what is appropriate, but should not be deemed a comprehensive and exclusive list. What is appropriate includes but is not limited to the list below.

ALL
- No risqué, sexually provocative or lingerie-looking or inspired uniform or garments
- Garments/items should be secure to eliminate any possibility of “wardrobe malfunction”
- Appropriate undergarments must be worn

MALE CHEER TOPS
- Must be full torso length, covering shoulders to waist and/or the top of the uniform bottom in standing position
- Must be short or long sleeves, covering at least midway between shoulder and elbow
- May be round or v-neck

MALE CHEER BOTTOMS
- If full length pants, must cover waist to feet
- If shorts, must fall no higher than mid-thigh

FEMALE CHEER TOPS
- Standard shell, crop, or midriff top
- No “bra top” style or size tops – material must fall at least one inch below the bra line
- No extremely low cut necklines
- No excessively bare or backless style tops
- Must have solid material around the back
- No “tube tops”
- Must be secured by straps or material over at least one shoulder or around the neck

FEMALE CHEER SKIRTS
- Must fully cover the hips
- Must completely cover briefs when feet are shoulder width apart AND, in the back, fall at least 1.5 inches below boy-short briefs or 2 inches below standard briefs
- No excessively short or tight skirts
- No ultra low rise waistbands (no lower than 2 inches below navel) when worn in conjunction with a cropped or midriff baring top

CHEER FOOTWEAR
- No bare feet
- Soft-soled athletic shoes must be worn while competing
- No gymnastics shoes, jazz shoes/boots
VERIFICATION AND/OR VIOLATIONS
SAFETY JUDGES
May issue warnings for perceived or possible violations during preliminary performance. Warnings will be communicated to the Panel Judges immediately. Teams must then verify compliance with the Judge Liaison or make appropriate changes as approved by the Judge Liaison prior to the next performance. Safety Judges will not issue any deductions in this Category during the remaining performances. DEDUCTIONS WILL BE ISSUED IN PRELIMS FOR BLATANT VIOLATIONS OF THE UNIFORM REQUIREMENTS RULES.

PANEL JUDGES
May reduce a team’s score in the Collegiate Image Category for perceived or suspected violations as agreed with the Safety Judge(s), but must note the reason for doing so on the team’s score sheet. If the Safety Judge issues a warning, the Panel Judges should also reflect a reduction in the Collegiate Image Category and note the reason. Should the Judge Liaison confirm compliance before the next performance, the Panel Judges should not reduce the score in the Collegiate Image Category for this purpose. Should the team not confirm compliance prior to the next performance(s), the Panel Judges should reflect the same or additional reductions in the Collegiate Image Category. These reductions must also be noted on the team’s score sheet.

Any deductions for mistakes, time violations, safety guideline violations or inappropriate choreography/music will be subtracted from the FINAL averaged score. Thus, executing a “clean” routine is very important.

EACH TEAM IS STRONGLY ENCOURAGED TO SEEK PRE-APPROVAL ON ANY QUESTIONABLE ITEMS. THESE ARE SUBJECTIVE MATTERS AND OPINIONS AND INTERPRETATIONS VARY, BUT IT WILL ULTIMATELY BE THE RESPONSIBILITY OF THE JUDGES TO DETERMINE A FINAL RULING IF NOT APPROVED IN ADVANCE. AS A SAFETY MEASURE, WE ENCOURAGE EACH TEAM TO BRING AN ALTERNATE, CONSERVATIVE UNIFORM IN THE EVENT A WARNING OR PENALTY IS ASSESSED.
INTERRUPTION OF PERFORMANCE

INJURY
The Safety Judge or Head Judge reserves the right to stop a routine due to an obvious injury. In the event that an injury causes the team’s Routine to be interrupted during preliminary Competition, the team will have 30 minutes to regroup before performing their Routine again from the beginning. Judging will resume from the point at which the injury/interruption occurred as determined by the judges. All point deductions accumulated to that point will carry over. If a team prefers not to re-work the Routine, then at the coach’s discretion, they may take the score they have received up to that point. If a skill has not been performed a “0” will be given in the Category. In the event that an injury causes a team’s routine to be interrupted during Final Competition, a decision will be made based on the specific situation whether or not there is sufficient time and/or it is feasible for the team to perform the routine again. If performing again is not possible, scores will be based on the team’s performance prior to the injury.

UNIFORM DISTRACTIONS
The Safety Judge or Head Judge reserves the right to stop a routine, assess a deduction, and/or disqualify a team due to a uniform distraction (e.g. garment not being securely fastened/attached, straps break, pants split, etc.). Each performer is required to take the necessary steps to avoid inappropriate exposure prior to the performance. Leaving the performance floor to adjust a uniform may result in a deduction of a Major Mistake and/or Safety Rule infraction assessable from a 1.0 to a 2.0 deduction or disqualification depending on the amount of distraction and/or inappropriate exposure. In the event that a uniform malfunction causes the team’s Routine to be interrupted during preliminary competition, the team will have 30 minutes to regroup before performing their Routine again from the beginning. Judging will resume from the point at which the uniform malfunction occurred as determined by the judges. All point deductions accumulated to that point will carry over. If a team prefers not to perform the Routine again, then at the coach’s discretion, they may take the score they have received up to that point. If a skill has not been performed a “0” will be given in the Category. In the event that a uniform distraction causes a team’s routine to be interrupted during Final Competition, a decision will be made based on the specific situation whether or not there is sufficient time and/or it is feasible for the team to perform the routine again. If performing again is not possible, scores will be based on the team’s performance prior to the injury.

MUSIC
In the event a technical error causes a team’s music to be interrupted, the coach will have the opportunity to stop the performance and begin again immediately. It is recommended that coaches have a backup CD with them at the music table. Judging and timing will resume from the point at which the malfunction occurred as determined by the judges. In the event a music error caused by the coach occurs, the performance may be stopped and begun again immediately; however, timing of the routine will NOT be stopped, and, in most cases, a time penalty will occur. Judging will resume from the point at which the interruption occurred as determined by the judges.
NCA SELECTION OF FINALISTS / PERFORMANCE ORDER
The number of finalists in each Division will be determined by the number of teams registered in that Division prior to the start of the competition as well as allowable time available for Finals. Late or canceled registrations that occur once the competition begins will not affect the predetermined number of finalists.

For Preliminary Competition, teams’ performance order will be determined by how they qualified and when they registered for the event. For Final Competition and Challenge Cup, teams will perform in reverse order of their preliminary ranking (e.g. teams finishing first in the Preliminary Competition will compete last in the Final Competition).

COLLEGE MASCOT GENERAL SAFETY RULES
1. Be sure that the character is tailored to meet health and safety needs. Your character should be well ventilated so heat can escape. The costume should be designed so that it is easy to remove the head, hands, and feet. Removing these items will allow for proper aeration and cooling breaks.
2. Take breaks approximately every 15-20 minutes. Prior to each game you should set-up a private room (or area out of view by anyone) to which you can retreat and take breaks. Make sure to have plenty of fluids available. Ideally, drink water before, during and after your appearances.
3. Always have a trailer (a person responsible to stay near you) to help with crowd control. When you are in a familiar area you may be able to maneuver quite well. However, many mascots have poor vision. A trailer not only helps you to maneuver more safely, but also can keep crowds from getting out of control (especially in open festivals, malls, and parade situations).
4. Be prepared if you begin to feel extremely overheated. Have a plan, including an emergency signal with your coach, squad, and trainer. Do not get out of character immediately after an appearance (especially if in air conditioning) or you may cool down too quickly. Walk around in costume and gain control of your breathing, then remove the head, hands, and feet. Sip fluids, recline, and if necessary place ice packs on the back of your neck and hands. Note: Prevent heat exhaustion and related symptoms by building tolerance, stretching properly, drinking fluids, and following a proper diet.
5. Dress-up before you dress-out. During an appearance, your body heat can rise in excess of 100 degrees (especially during fall football games). To prepare your body for this increase in temperature, you should wear sweats or warm clothing prior to each appearance. Eventually, your body temperature will automatically rise before each appearance and you may experience a chill.
6. Be aware of your limits when performing. Be aware of the limitations that the character places on you. Pay attention to obstacles and people around you to prevent injury. When walking into a new area, scan the layout and try to memorize the location of obstacles. Also, count stairs as you go, chances are you will use those stairs again.
7. Protect your character and protect your image. Use common sense not to become tooreckless while in character. This could result in putting yourself and your audience in danger. Never let an untrained person perform for you. Protect your image through regular maintenance of your character. Always make sure it is clean and in good condition. Avoid doing stunts that may cause damage. Your school, in many cases, has invested a great deal of money in your mascot costume.
NCA COLLEGIATE MASCOT CHAMPIONSHIP
1. Each mascot must qualify at an NCA College Summer Camp or through Video Qualification (Collegiate Nationals only).
2. Only ONE costumed mascot is allowed to perform. NO other live props are allowed.
3. Each mascot will perform a routine lasting a maximum of 1 minute and 30 seconds (90 seconds) not including set-up and tear-down time. The following overtime penalties will occur:
   • 1 - 5 seconds over time will result in a .5 deduction
   • 6 or more seconds over time will result in a 1.0 deduction
4. Other people may assist with the set-up, support and tear-down. These assistants may not participate in any activity within the skit, others than to support props.
5. Mascots are allowed a total maximum set-up/tear-down time of 1 minute and 30 seconds (90 seconds). The following overtime penalties will occur:
   • 1 - 5 seconds over time will result in a .5 deduction
   • 6 or more seconds over time will result in a 1.0 deduction

NOTE: This penalty is separate from the routine time penalty. For example, if your set-up time is 1 minute, your routine is 1 minute 33 seconds and your tear-down time is 40 seconds you would be assessed a .5 penalty for going 3 seconds overtime for your performance and a 1.0 penalty for going 10 seconds overtime on your set-up/tear-down time.
6. The routine should contain a theme and should be well organized and understandable.
7. Music may be used and is encouraged. Music must be on CD or mp3 player.

   The routine should include the following elements:
   a. 20 consecutive seconds minimum of dance with music
   b. 20 consecutive seconds minimum of prop utilization
   c. 20 consecutive seconds minimum of crowd interaction/response material
8. Mascots should enter the performance area in a timely fashion.
9. Timing will begin with the first organized word, movement, or note of music after they are officially announced.
10. Timing will end with the last organized word, movement, or note of music by the mascot.
11. Any size props may be used. Props that may cause damage to the matted surface may not be used. Confetti, water, paints or other such props that may delay Competition are prohibited. Violations will result in a 2.0 deduction or disqualification.
12. Mascots may not utilize any type of height increasing apparatus (mini tramps, spring boards, etc.).
13. Participants must be dressed in the school’s official mascot costume at all times including set-up. The costume must be the school’s official mascot.
14. Routines must be appropriate for family viewing. Any vulgar or suggestive movements, words or music will result in a 2.0 score deduction or possible disqualification.
15. Mascots should utilize all areas of technical strengths including actions/reactions, motions/emotions, character traits and habits, pantomime, crowd interaction, crowd appeal, prop utilization, and overall impression.
16. Mascots will be judged on the following categories with each valued at 10 points:
   a. Characterization
   b. Creativity
   c. Crowd Leading
   d. Dance
   e. Prop Design/Effectiveness
   f. Overall Impression

3. The routine should be performed to music.
4. Each participating couple should provide one spotter. Only one spotter may be on the mat as needed to make the stunt legal. Spotter may not assist with performance. "Unassisted" is defined as a stunt being performed by only one base or majority of the team (less than a majority of the team is the standard). A base or stunt group may support the stunt with any number of participants. A full unassisted stunt is a stunt performed by less than a majority of the team without any support or assistance from any other team members. A stunt is considered "unassisted" if the majority of the team is the only support for the stunt.

Note: a ¼ positioning move is allowed in twisting skills.

Clarification: A transition where multiple top persons maneuver to the top of a 2½ high pyramid would only count as one inverting/twisting/unique transition.

Each structure in the sequence should contain 2 or more top people at the 2½ high level. The top people should use numerous inverting/twisting/unique entries to the top of the pyramids and numerous inverting/twisting/unique dismounts.

The top people should use numerous inverting/twisting/unique entries to the top of the pyramids and numerous inverting/twisting/unique dismounts.

HOW TO QUALIFY FOR THE COLLEGIATE CHEER AND DANCE CHAMPIONSHIP

CAMP QUALIFICATION

Teams may qualify for the NCA & NDA Collegiate Cheer and Dance Championship at NDA Collegiate Overnight or Day Summer Camp. NDA will award Bids to Nationals based on the team’s successful completion of specific requirements in the areas of participation, conduct, and camp achievements. Teams must have a minimum of eight (8) participating team members attending the same NDA Collegiate Overnight or Day Summer Camp in order to be considered for a Bid. Teams may also qualify for Nationals at an NDA Elite Home Camp. Exception: NAIA Small teams with less than the minimum number of participants will be considered on a case-by-case basis.

VIDEO QUALIFICATION

All Qualification Videos (for dance teams) must be RECEIVED no later than January 27, 2017. A Video Entry form should accompany each video entry. Download at nda.varsity.com.

Videos may be mailed to:

NCA & NDA Collegiate Cheer and Dance Championship
2010 Merritt Dr.
Garland, TX 75041

Each team’s entry must be on a separate video and properly labeled with Team Name, Division, Dance Coach’s Name, Address, Email and Cell Phone number.

Videos may be emailed to: nda.dance.videos@gmail.com

Videos should not exceed 10MB and should be in Windows Media Player or Quicktime format. Alternatively, you may submit video links via YouTube, Dropbox, FileShare, etc.

TEAM PERFORMANCE VIDEO REQUIREMENTS

Teams competing in the Team Performance Division must submit one video that includes a 30 second Hip Hop routine, a 30 second Jazz routine, a 30 second Pom routine as well as 30 seconds of technical skills (this may be numerous across the floor patterns or a choreographed piece). Only the technical skills segment may contain numerous edits. Split screens are not allowed. The speed of the performance may not be altered on the video. All team members do not need to be in each segment; however, at least eight (8) members must appear in the pom, jazz, and hip hop segments of the video. All members on the video must be official, eligible team members at time of filming. Videos submitted must be of current year; footage from previous years is prohibited. Teams that qualify for Team Performance will automatically be qualified for the Jazz, Pom, and/or Hip Hop Division. Videos submitted for qualification will not be viewed for legalities. A separate video must be sent for this purpose no later than (2) weeks prior to competition.

JAZZ, POM AND HIP HOP VIDEO REQUIREMENTS

Teams competing in the Jazz, Pom and/or Hip Hop Division must submit, on video, a performance routine of any style, one minute and forty-five seconds (1:45) minimum in length (no editing or split screens). The style exhibited on the video is not required to match the division(s) in which the team registers. Teams that qualify with a Jazz, Pom or Hip Hop video are qualified to compete in those divisions ONLY. That teams that qualify with a Jazz, Pom or Hip Hop video do NOT automatically qualify for the Team Performance Division. The speed of the routine may not be altered through video editing. The team must be represented by AT LEAST eight (8) members. All members on the video must be official, eligible team members at time of taping. Videos submitted must be of current year; footage from previous years is prohibited. Videos submitted for qualification will not be viewed for legalities. A separate video must be sent for this purpose no later than two (2) weeks prior to competition.

*NOTE: Any NAIA team that is qualifying by video for an NAIA Team Performance Small Division must be represented by AT LEAST two (2) members.
GENERAL SAFETY GUIDELINES

1. All teams must be supervised during all official functions by a qualified coach/instructor.
2. Coaches/Instructors must require proficiency before skill progression. Coaches must consider the dancer and team skill level with regard to proper performance placement.
3. All participants agree to conduct themselves in a manner displaying good sportsmanship throughout the event. The coach of each team is responsible for seeing that team members, coaches, parents, and any other person affiliated with the team conduct themselves accordingly.
4. All programs should have, and review, an emergency action plan in the event of an injury.
5. No technical skills should be performed when a coach is not present or providing direct supervision.
6. All practice sessions should be held in a location suitable for the activities of dance, and away from noise and distractions.
7. Warm-up and stretching should precede and conclude all practice sessions, pep rallies, games, competitions, performances, and other physical activities.
8. The performance surface should be taken into consideration before engaging in any technical aspect of dance. The performing area should be reasonably free of obstructions. Dancers should not perform technical skills on:
   - concrete, asphalt, or any other hard, uncovered surface
   - wet surfaces
   - uneven surfaces
   - surfaces with obstructions
9. Preliminary Competition will be held indoors. Final Competition may be held outdoors, so wind and/or sun could be a factor. Practice and prepare accordingly.

PERFORMANCE AREA

All dance teams competing in the NCA & NDA Collegiate Cheer and Dance Championship will perform on Marley. Each panel will be 38’ deep x 4’11” wide. Due to heat and humidity, the floor may become “tacky” when performing with shoes that have more traction. Dance floor dimensions are as follows:

- Practice Room: 8 strips
- Peabody Theater: 8 strips
- Ocean Center: 10 strips
- Bandshell: 10 strips

CODE OF CONDUCT

To ensure the most positive experience for all attendees, NDA asks that the following Code of Conduct be adhered to during all NDA Championships:

- Any questions or concerns that affect a team’s performance or experience must be communicated by the coach to the NDA Event Information Table. The appropriate NDA Official will then be called to discuss the situation with the coach.
- Participants, coaches or spectators are prohibited from making contact with the judges during the competition.
- Judges’ rulings are final related to deductions, final team placements and safety violations.
- Any unruly, aggressive or belligerent behavior by participants, coaches or spectators toward any other attendee or NDA Event Staff will result in potential team disqualification, removal from the event and/or barred participation from future NDA Events with the possibility of suspension for following years.

NDA fervently encourages and supports sportsmanship, integrity and fairness among participants and coaches in all facets of dance including, but not limited to team/squad practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities, and believe that coaches are instrumental in promoting and instilling this among their respective team members.
GENERAL ROUTINE REQUIREMENTS

1. Teams must have at least 8 members (exception: NAIA Small Team Performance Division).
2. Teams competing in the Team Performance Division will perform a choreographed routine not to exceed 2 minutes and 15 seconds (2:15) to demonstrate their style and expertise. Teams competing in the Jazz, Pom and Hip Hop Divisions will perform a choreographed routine not to exceed 2 minutes (2:00) to demonstrate their style and expertise. Timing will begin with the first choreographed movement or note of the music. Timing will end with the last choreographed movement or note of the music, whichever comes last. Teams must exit the performance area immediately following the Routine.
3. Formal entrances which involve dance or technical skills are not permitted. Dancers should enter the performance area in a timely fashion. Entrances/exits will not be judged as part of the routine.
4. All performers (unless injured) must remain within the performance area throughout the entire performance. Dancers can only enter and exit through the designated entry and exit points.
5. Substitutions may be made in the event of any injury or other serious circumstance.
6. Poms, hand held props, and costuming may be used. Wearable and handheld items are allowed in all categories and can be removed and discarded from the body in a safe and controlled manner. If taken off and danced with, it becomes a prop. Standing items such as chairs, stools, ladders, etc. are not allowed. If you are unsure if your prop falls within the given definition, please contact the NDA Office.
7. All staging, backdrops, special effects, costumes, or any items that may damage or otherwise alter the performance floor or environment, including the practice area and backstage, are prohibited, including but not limited to water, baby powder, feathers, sliding oil, fire, etc.
8. The team’s name will be called twice: once as the team is on deck and once as the performing team.

TEAM PERFORMANCE ROUTINE OUTLINE
Dance teams competing at the NCA & NDA Collegiate Cheer and Dance Championship will be required to submit at check-in a Routine Outline for their Team Performance routine, consisting of a breakdown in minutes/seconds of the style of dance being performed at that time. A Routine Outline sample will be included in the Confirmation Packet sent prior to the Championship. While a team is competing, the Safety Judge will reference the team’s outline to determine that 30 CONSECUTIVE SECONDS of each style of dance (jazz, pom and hip hop) have been met. If the Safety Judge, as well as the judging panel, does not think the Routine meets the above requirements, a .2 general rule deduction may occur. Judges’ decisions are final. Teams in the Jazz, Pom and Hip Hop Divisions are excluded from the above.

MUSIC GUIDELINES
NDA will follow the Varsity Spirit Music Guidelines for all competitions. Please visit varsity.com/music for the most up-to-date guidelines and latest resources.

CHALLENGE PROCESS
If there are concerns regarding a certain team’s use of music, a Challenge Form must be completed immediately following the team’s performance.
• All music challenges must be submitted in writing to the event director.
• There will be $100 fee to request a music challenge and must be in the form of a check made out to St Jude Children’s Research Hospital.
• Fees collected will be voided if challenge is correct.
• If the team challenged can provide documentation during the event and can be verified, the fees will be donated to St. Jude.
• If the team challenged can provide documentation that requires further review, a decision will be finalized within 48 hours of the event.
INAPPROPRIATE CHOREOGRAPHY AND MUSIC RULES
All facets of a performance or routine, including choreography and music selection should be suitable for family viewing and listening. Any music in which the appropriateness is questionable or with which uncertainty exists should be submitted to NDA for approval.

A deduction of .2 per violation, will be given for vulgar or suggestive choreography, which includes but is not limited to movements such as hip thrusting and inappropriate touching, slapping, positioning of body parts and positioning to one another. Deductions will be given for music or words unsuitable for family listening, which includes but is not limited to swearwords and connotations of any type of sexual act or behavior, drugs, mention of specific parts of the body torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words constitutes inappropriate, and deductions will be made accordingly.

Because multiple performances of a Routine when compared to one another will generally lack distinction, NDA is not able to approve with absoluteness the appropriateness of choreography (since movements can be easily modified, NDA could feasibly approve a particular movement when viewed on a video or in person, only to have it performed differently during Competition). However, choreography, if questionable, may be submitted to NDA for feedback.

DANCE COSTUME REQUIREMENTS
In general, appropriate attire is required during officially designated practice times, performances and awards ceremonies. NDA reserves the right to make rulings and enforce compliance regarding any participant’s attire during these times. It is the combination of garments worn that can deem an outfit or costume appropriate or inappropriate, and this should be taken into consideration more so than the individual guidelines for each garment type outlined below. Any costume in which the appropriateness is questionable or with which uncertainty exists should be submitted to NDA for approval.

The following guidelines should assist in defining what is appropriate, but should not be deemed a comprehensive and exclusive list. What is appropriate includes but is not limited to the list below.

- No risqué, sexually provocative or lingerie-looking or inspired costumes or garments
- Garments/items should be secure to eliminate any possibility of “wardrobe malfunction”
- Appropriate undergarments must be worn
- Exercise good judgment when using sheer material in the costume, and use it in an appropriate fashion. For example, a sheer skirt over a bikini bottom or a sheer top over a bra would both be deemed inappropriate; in general and for example, sheer fabric over the midriff or neckline is appropriate, when there is adequate coverage with the main garment.

DANCE TOPS OR ONE-PIECE GARMENTS
- No “bra top” style or size tops – material must fall at least one inch below the bra line
- No extremely low cut necklines
- No excessively bare or backless style tops
- No “tube tops”
- Must be secured by straps or material over at least one shoulder or around the neck
DANCE BOTTOMS OR ONE-PIECE GARMENTS
- Skirts and/or pants must fully cover the hips
- Skirts must completely cover briefs when feet are shoulder width apart AND, in the back, fall at least 1.5 inches below boy-short briefs or 2 inches below standard briefs
- No excessively short shorts
- No ultra low rise waistbands (no lower than 2 inches below navel) when worn in conjunction with a cropped or midriff baring top

DANCE FOOTWEAR
- Socks only is prohibited
- Footed tights only is prohibited

INTERRUPTION OF PERFORMANCE INJURY
The Safety Judge or Head Judge reserves the right to stop a routine due to an obvious injury. In the event that an injury causes the team’s routine to be interrupted during Preliminary Competition, the team will have 30 minutes to regroup before performing their routine again from the beginning. Judging will resume from the point at which the injury/interruption occurred as determined by the judges. All point deductions accumulated to that point will carry over. If a team prefers not to re-work the routine, then at the coach’s discretion, they may take the score they have received up to that point. If a skill has not been performed a “0” will be given in that caption. In the event that an injury causes a team’s routine to be interrupted during Final Competition, a decision will be made based on the specific situation whether or not there is sufficient time and/or it is feasible for the team to perform the routine again. If performing again is not possible, scores will be based on the team’s performance prior to the injury.

UNIFORM DISTRACTIONS
The Safety Judge or Head Judge reserves the right to stop a routine, assess a deduction, and/or disqualify a team due to a uniform distraction (e.g. garment not being securely fastened/attached, straps break, pants split, etc.). Each performer is required to take the necessary steps to avoid inappropriate exposure prior to the performance. Leaving the performance floor to adjust a uniform may result in a Rule Infraction assessable from a .1 to a .5 deduction or disqualification depending on the amount of distraction and/or inappropriate exposure. In the event that a uniform malfunction causes a team’s routine to be interrupted during Final Competition, a decision will be made based on the specific situation whether or not there is sufficient time and/or it is feasible for the team to perform the routine again. If performing again is not possible, scores will be based on the team’s performance prior to the uniform malfunction.

MUSIC
In the event a technical error causes a team’s music to be interrupted, the coach will have the opportunity to stop the performance and begin again immediately. It is recommended that coaches have a backup CD with them at the music table. Judging and timing will resume from the point at which the malfunction occurred as determined by the judges. In the event a music error caused by the coach occurs, the performance may be stopped and begun again immediately; however, timing of the routine will NOT be stopped, and, in most cases, a time penalty will occur. Judging will resume from the point at which the interruption occurred as determined by the judges.
SELECTION OF FINALISTS AND PERFORMANCE ORDER
The number of finalists in each Division will be determined by the number of teams registered in that Division prior to the start of the competition as well as allowable time available for Finals. Late or canceled registrations that occur once the competition begins will not affect the predetermined number of finalists. For Preliminary Competition, teams will perform in a random order determined by NDA. For Final Competition, teams will perform in reverse order of their preliminary ranking (e.g. Teams finishing first in the Preliminary Competition will compete last in the Final Competition).

GENERAL / SAFETY VERIFICATION PROCESS
SAFETY JUDGES
May issue warnings for perceived or possible violations during preliminary performance. Warnings will be communicated to the Panel Judges immediately. Teams must then verify compliance with the Judge Liaison or make appropriate changes as approved by the Judge Liaison prior to the next performance. Safety Judges will not issue any deductions for corrected warnings during the remaining performances. DEDUCTIONS WILL BE ISSUED IN PRELIMS FOR BLATANT VIOLATIONS.

PANEL JUDGES
May reduce a team’s score in the Collegiate Image Category for perceived or suspected violations as agreed with the Safety Judge(s), but must note the reason for doing so on the team’s score sheet. If the Safety Judge issues a warning, the Panel Judges should also reflect a reduction in the Collegiate Image Category and note the reason. Should the Judge Liaison confirm compliance before the next performance, the Panel Judges should not reduce the score in the Collegiate Image Category for this purpose. Should the team not confirm compliance prior to the next performance(s), the Panel Judges should reflect the same or additional reductions in the Collegiate Image Category. These reductions must also be noted on the team’s score sheet.

Any deductions for time violations, safety/general rule violations, inappropriate choreography/music or costuming will be subtracted from the FINAL averaged score.

EACH TEAM IS STRONGLY ENCOURAGED TO SEEK PRE-APPROVAL ON ANY QUESTIONABLE ITEMS. THESE ARE SUBJECTIVE MATTERS AND OPINIONS AND INTERPRETATIONS VARY, BUT IT WILL ULTIMATELY BE THE RESPONSIBILITY OF THE JUDGES TO DETERMINE A FINAL RULING IF NOT APPROVED IN ADVANCE. AS A SAFETY MEASURE, WE ENCOURAGE EACH TEAM TO BRING AN ALTERNATE, CONSERVATIVE COSTUME IN THE EVENT A WARNING OR PENALTY IS ASSESSED.

COMPETITION SAFETY GUIDELINES
1. Non-marking shoes or bare feet are acceptable when competing. Dance paws are acceptable. Wearing “socks only” and or “footed tights only” is prohibited. Shoes with wheels are not allowed (i.e. roller skates, roller blades, heelys, etc.) Warning: Due to the outdoor location, the dance floor may become extremely hot. We recommend footwear conducive to performing on a hot surface.

2. Jewelry as a part of a costume is allowed. Acceptable jewelry includes: small post stud earrings (in ear lobes only), chokers without dangling pendants, and hair accessories. Jewelry such as necklaces, hoop/dangling earrings, any piercings in any area other than the ear (belly, tongue and nose rings, etc.) is prohibited and will result in a .2 deduction per occurrence. Prohibited jewelry must be removed and may not be taped over or otherwise covered.
TUMBLING AND AERIAL STREET STYLE SKILLS
(EXECUTED BY INDIVIDUALS)

Tumbling as a dance skill is allowed, but not required, in all Divisions with the following limitations:

1. Inverted Skills:
   a. Non airborne skills are allowed (e.g. headstand).

2. Tumbling Skills with hip over head rotation:
   a. Non airborne skills are allowed.
   b. Airborne skills with hand support:
      i. May be airborne in descent if the approach is non airborne (clarification: a round off is allowed - hands touch the ground before the foot leaves the ground).
      ii. May not be airborne in approach.
   c. Airborne skills without hand support are not allowed (exception: aerials).

3. Simultaneous tumbling over or under another dancer that includes hip over head rotation by both dancers is not allowed.

4. Drops (see glossary) to the knee, thigh, back, front or head onto the performing surface are not allowed unless the dancer first bears weight on the hand(s) or foot/feet.
   a. Only drops to the shoulder or seat are permitted provided the height of the airborne dancer does not exceed knee level of a standing dancer.

5. Landing in a push up position onto the performance surface from a jump in which the legs are in front of the body and swing behind are not allowed. All variations of a Shushunova are not allowed.

6. Hip over head rotation skills with hand support are not allowed while holding poms or props in supporting hand (exception: forward rolls and backward rolls are allowed). The use of hands-free poms for hip over head rotation skills is allowed.

ELIGIBILITY VERIFICATION
A Team Eligibility Form will be sent to all coaches participating in an NCA & NDA Championship. One form must be filled out per team with each team member’s name, student ID number, hours currently enrolled. This form must be signed by the coach as well as signed by the school’s Registrar’s Office and returned to NCA & NDA at check-in. A current class schedule for each participant must also accompany the Eligibility Form. Teams must meet the following eligibility requirements in order to participate in the NCA & NDA Collegiate Cheer and Dance Championship:
• Each participating team member must be a current full-time student of the institution that they are representing at the Championship, or enrolled in a minimum of 9 credit hours. Graduating seniors and graduate students may be enrolled in less hours.
• Each participating team member must be a current member of the team they are representing and meet all of the school’s eligibility requirements.
ELIGIBILITY VERIFICATION CONTINUED

1. Any university or college competing in a Varsity College National Championship shall not permit a student-athlete to represent their school unless the student-athlete meets all applicable eligibility requirements, and the coach and program administrative supervisor has certified the student-athlete’s eligibility.

2. A student-athlete may only represent ONE (1) school in a National Championship competition for each academic year. For example, a student-athlete may not compete for one school in January, transfer and compete for another school in April.

3. At the Junior College level, any student-athlete will only be eligible to compete in a maximum of three (3) National Championships during the course of his/her college career.

4. A student-athlete can be a part of the institution’s cheer/dance spirit squad but will only be allowed to compete for a maximum of five (5) National Championships during the course of his/her college career, regardless of the number of universities or colleges they have attended.

5. A student-athlete may not compete in more than five (5) National Championships in combined Junior College and/or 4-year college/university.

6a. An alternate or injured student-athlete that does not take the competition floor will not be perceived as a competing member and will not count towards the maximum of five (5) National Championships.

6b. This will apply for any student-athlete competing at any one of the Varsity Brands College National Championships (UCA/UDA, NCA & NDA) as well as any other designated College National Championship.

7. Verification of eligibility will be required by the school’s Registrar’s Office and the program’s administrative supervisor in addition to the coach. It will be the responsibility of these individuals to verify that all student-provided information and documentation is correct and valid.

8. Teams violating this rule could forfeit their titles and rankings as well as be prohibited from entering any other Varsity Brands Championship the following year. For any clarification on these rules, please contact the event producer of the Championship you wish to attend.

NCA & NDA EXCLUSIVITY POLICY

Due to television, sponsorship considerations, and administration concerns regarding school-based priorities, image and funding, teams that compete in the NCA & NDA Collegiate Cheer and Dance Championship may not participate in any other event at which a “National Champion” title is awarded during the current school year.

Further, teams may jeopardize their eligibility to compete in the NCA & NDA Collegiate Cheer and Dance Championship if they participate in a televised program or print media that portrays their team, school or general activity of collegiate cheer and/or dance in a negative manner. NCA & NDA must deem the program or material content reasonable and appropriate with regard to performance integrity, safety, individual and school privacy and reputation, and overall image. Schools that desire to compete at Nationals and participate in such media (reality show or documentary, news articles, books, etc.) should consult their school legal counsel to develop an access license, and also consult with NCA & NDA in advance to pre-determine any possible conflicts of interest. The access license is a legal agreement that prohibits producers or publishers from including certain subject matters from being included in their media product, as well as grants the school officials the right to approve and/or reject final portrayal of their respective spirit squads that might be harmful or disrespectful to the school or spirit program.
JUDGING PANELS
HEAD JUDGE
The Head Judge is responsible for overseeing the Panel Judges. Each Head Judge fills out his/her own score sheet for each performance. Select divisions may have a non-scoring Head Judge. Decisions made by Head Judges are final.

PANEL JUDGES
Panel Judges are responsible for scoring each team’s performance based on the NDA score sheet. Each Panel Judge fills out his/her own score sheet for each performance. Panel Judges do not determine or judge deductions or safety violations. Decisions made by Panel Judges are reviewed by the Head Judge and deemed final.

SAFETY JUDGE
The Safety Judge is responsible for administering all safety/general competition rule violations. Decisions made by the Safety Judge are final.

NDA SCORING PROCESS
Scores for each caption will range from 0-10, including tenths of points (e.g. 5.5, 9.2, etc.). These scores will be entered into a computer that will add the scores, and then average them. All penalties will be deducted from the average score to get the FINAL SCORE.

MAJOR FALLS
Serious falls incurred by one or more dancers that could result in injury or falls from a lift to the performance surface will result in a .05 deduction for each incident. Note: these falls are typically a result of dancers performing skills beyond their proficiency.

TIME LIMIT VIOLATIONS
- Team Performance Division time limit = 2 minutes and 15 seconds (2:15)
- Jazz, Pom and Hip Hop Division time limit = 2 minutes (2:00)

Time limit violations (for both the music portion and/or total Routine time) are as follows:
- 3 - 5 seconds over time will result in a .05 deduction
- 6 - 10 seconds over time will result in a .15 deduction
- 11 or more seconds over time will result in a .25 deduction

A two (2) second buffer is allowed for human and/or mechanical error.

SAFETY VIOLATIONS / GENERAL COMPETITION RULES
A .2 deduction will be given for EACH safety/general competition rule violation (e.g. a .2 penalty will be assessed for non-costume jewelry). Safety Violations are in effect until the team leaves the performance floor. Please read and study the appropriate NDA Safety Rules section to ensure your team does not have any safety violations. NDA reserves the right to make decisions on any violations not covered in this book and interpretation of rules covered.

Deductions and/or penalties are assessed at the sole discretion of the judges based on the criteria set forth in this book. All judges’ decisions are final. Ties will not be broken. Tying teams will share the title and/or ranking.
JUDGING SCALE FOR DANCE FUNDAMENTALS

Total points received per caption will be based on overall quality, quantity, and execution of movement (both variety of elements and number of members performing element) throughout the routine. Specific elements performed that are not listed in one of the following captions will be placed in corresponding captions at the discretion of the judges.

Zero points will be given in a caption if elements for that particular caption are not executed.

PERFORMANCE IMPRESSION

This score reflects overall appeal as well as each individual judge’s overall opinion of the routine. Elements factored into this score at each judge's discretion are genuine showmanship (face/full body) projection and confidence.

UNIFORMITY

This score reflects spacing, timing and how well the team dances together as a group, rather than the team’s execution of technique.
